The Central Records Unit Manager is the official custodian of records, including, but not limited to, crash reports, arrest reports, DUI/DUID reports, and digital media for the State Patrol and will coordinate with troop/section commanders and any necessary staff support personnel to assist with custodial matters. Digital media are audio, video, texts, and photographs captured by electronic devices, including dash cameras, body-worn cameras, unmanned aircraft system (UAS), and small unmanned aircraft system(sUAS) footage.

Members will not release any information that would jeopardize an active investigation, prejudice an accused person's right to a fair trial, or violate any law or order. Troop offices may release basic crash reports with appropriate juvenile redactions. All other requests for agency criminal justice records should be directed to the Central Records Unit (CRU). Members will refer to C.R.S. §§ 16-11-102.4, 16-23-104, 19-1-302(2), 24-31-902, 24-72-203, 24-72-205, 24-72-302(3), 24-72-303, 24-72-305, 24-72-306, and 24-74-105 when releasing any information to the public.

The Criminal Justice Records Act provides that records of official actions as defined by C.R.S. § 24-72-302 are available to any person who makes a request unless the record is actively being used, is in storage, and not available at the time of the request, or as otherwise protected by law.

Official records custodians or the official records custodian's designee will make a good-faith effort to provide public access to any criminal justice record covered by C.R.S. § 24-72-305.

All criminal justice records, at the discretion of the official records custodian, may be open for inspection by any person at reasonable times, except as otherwise provided by law, and the official records custodian of any such records may make such rules and regulations with reference to the inspection of such records as are reasonably necessary for the protection of such records and the prevention of unnecessary interference with the regular discharge of the duties of the custodian and their troop/section office.

Members will cooperate with the media and maintain an atmosphere of open communication. Information will be released to the media in an impartial, accurate, and timely fashion.

Media requests for information regarding incidents, local directives, or other information that is related only to the local troop/section may be handled by a supervisor or designated representative of that troop/section.

Information request(s) regarding any case or investigation that has been turned over to another agency (such as a District Attorney's office or a local law enforcement agency) will be referred to said agency.

Records of juveniles, including basic identification information, will be conspicuously identified and marked as juvenile records and will not be inspected by or disclosed to the public. Even though the record is public, the names of the juveniles will be redacted on all forms and reports.

Pursuant to C.R.S. § 19-1-303, juvenile records will be released on a “need to know” basis, meaning those records will only be released to those agencies or individuals who need access to certain information for the care, treatment, supervision, or protection of a child.
