Congratulations on Completing the Annual 1033 Program Inventory Certification!

Every participating agency in Colorado has completed the annual 1033 Program inventory certification process.

All of you made it possible for 163 participating agencies in Colorado to certify 3,461 property records!

Although a couple of agencies missed the 12/15/15 deadline, everyone was done by the end of the week. Equipment requests are no longer being rejected.

As you know, the annual inventory certification enhances the accountability and transparency of the 1033 Program. The high level of accountability gives both participating agencies and the program as a

whole peace of mind that the equipment is being used properly and is not finding its way into the wrong hands.

We in the Colorado 1033 Program office thank each of you for your participation in completing this important yearly task.

Humvees, Peacekeepers, MRAPs and Other Tactical Vehicles Training

As a result of [Executive Order 13688](#), tactical vehicles have new requirements in the 1033 Program.

Tactical Vehicles:

- HMMWVs (Humvees)
- MRAPs
- Armored Personnel Carriers
- 2.5 or 5 Ton Cargo Trucks

New Requirements:

- Constitutional and Community Policing Policies
- Equipment Policies
- Annual Training
- After-Action Reviews

Whether your agency currently has tactical vehicles, or is considering requesting one, **learn how to stay compliant with the new requirements.**

Join a [Go To Meeting](#) on Wednesday, January 27, 2016 at 4:00 p.m. to learn about the requirements and how to abide by these new rules.

To participate, go to <https://global.gotomeeting.com/join/934913789> and call (312) 757-3121 .

Access Code: 934-913-789

**Wishing you all a
happy and safe
holiday season!**

Search for and Request First Aid Supplies through 1033

A variety of first aid supplies is available through the 1033 Program. Agencies throughout Colorado are saving money while providing great service to their communities by using first aid supplies acquired through the 1033 Program.

First aid supplies are DEMIL A, which means that they are commercially available items. They fall off of the 1033 inventory list after one year, at which point they do not need to be

accounted for during the annual inventory certification.

Many first aid supplies are also relatively small and light, which makes them great candidates for shipping from distant locations. Instead of searching for supplies just in Colorado Springs, search for them throughout the country. A shipping company can pick up items from a disposition services site and ship them to your location.

Remember to provide a *brief and detailed justification describing the law enforcement use of the first aid supplies*. Will the supplies be used to stock officers' patrol cars? Will they be added to the search and rescue go-bags?

Reach out to our office if you would like help searching for and requesting equipment at the [DLA External Business Portal](#).

Use the National Stock Numbers (NSN) and Item Names here to search for first aid supplies.

National Stock Number (NSN)	Item Name
6510-01-529-1213	BANDAGE,GAUZE

Search for and Purchase First Aid Supplies through 1122

Use the 1122 Program to purchase new first aid supplies at discounted prices. Through the 1122 Program, local governments can purchase goods and services using the federal government’s price agreements.

Medical and rescue kits in the Special Item Number (SIN) 465-9 include:

- Emergency Response Kits
- Field Rescue Kits
- Associated Equipment
- Scoop Stretchers
- Cervical Spine Immobilization Collars
- Extraction Devices

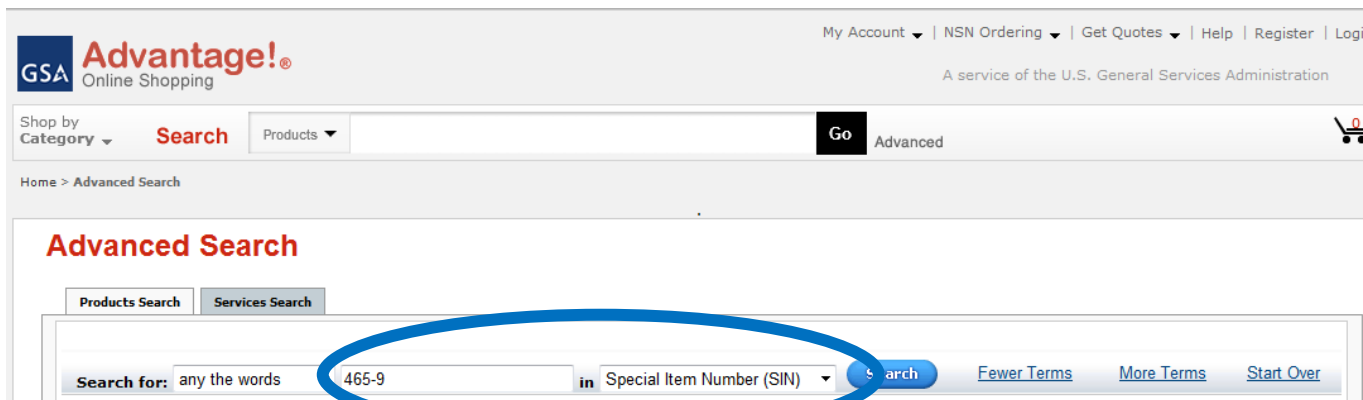

In addition, SIN 465-10 contains emergency patient transportation and immobilization devices:

- Splints

change the search location to “Special Item Number (SIN).” Set up a free account with a government credit card to place orders directly from the website.

To purchase these and other items, go to [GSA Advantage](#). Click on the Advanced Search option. Enter “465-9” or “465-10” in the search field, and

Archuleta County Sheriff’s Office Deputies Save Lives with 1033 First Aid Equipment

Archuleta County Sheriff’s Office sent a message describing how they used items acquired through the 1033 Program to help citizens in a time of crisis. Thanks to Deputy Richmond for allowing us to share the story.

“On 12/11/15 at approximately 21:30 James Martinez, Roxanna Lattin, James Hart and myself

responded to a single vehicle rollover occupied X 3 on County Road 600. The female had possibly been ejected and was suffering from pain in her chest and trauma to her head. Male number 2 had cuts and was bleeding from the head.

Because of the 1033 Med/Trauma pack issued to me by

Deputy Richmond we (ACSO Deputies) were able to stop bleeding with 1033 gauze on the male’s head. We were able to cover the female with the 1033 emergency space blanket, to keep her from going into shock prior to EMS and fire arriving on scene.

Once EMS arrived items from

the med pack were used to assist EMS with stabilizing the victims for transport to the hospital.

Many Thanks to Rich Richmond for the 1033 Med/Trauma pack and a job well done by Martinez, Lattin and Hart for their life saving actions.

Thanks,

Zane Kraetsch”

Fun and Games Trivia Corner

The name for what Colorado town derives from the word for “water town” in another language?

Answer on page 4.

The Law Enforcement Support Office (LESO) within the Department of Defense (DoD), Defense Logistics Agency, facilitates the 1033 program. This program allows transfer of excess DoD property that might otherwise be destroyed to law enforcement agencies across the United States.

Section 1122 of the National Defense Authorization Act authorizes state and local agencies to purchase equipment and supplies in support of counter-drug, homeland security, and emergency response activities through federal sources of supply. Agencies can take advantage of the volume buying power of the Federal Government for low prices.

Saving Local Governments Money

Say Hello at the County Sheriff's of Colorado Conference

Jovita and Alice will be at the County Sheriff's of Colorado (CSOC) Winter Conference in Loveland on January 6-7, 2016.

Stop by our exhibit booth to meet the voices on the other end of the phone in person.

We look forward to the opportunity to chat with you about the 1033 and 1122 Programs.

Would you like pointers on searching for particular items?

Is it time to change the Points of Contact for your organization?

Are you ready to transfer or turn in equipment?

Do you need a squishy stress reliever?

We are excited to talk about your challenges and successes with the programs, and to learn how to serve you better.

New LESO Website

The [Law Enforcement Support Office \(LESO\)](#) has a new look and a new address for their website. Check it out for helpful links, forms, and instructions for the 1033 Program.

Fun and Gams Trivia Answer

Answer: Durango comes from the Basque word "Urango," which means "water town," referring to the Animas River that runs through town.
