Free Shipping of 1033 Equipment from RCP Locations

Acquiring equipment for no charge from the military is a great way to maximize a law enforcement agency's budget. Search for and request equipment from Recycling Control Point (RCP) sites to stretch that budget even further.

Unlike traditional disposition sites, RCP sites automatically ship the equipment that you request for free!

Take advantage of this opportunity for free shipping by searching for equipment that is available at RCP locations. In the [DLA External Business Portal Reutilization-Transfer-Donation \(RTD\) site](#), look in the "Search by Location" field. Select the sites that begin with "RCP."

Remember to stick with sites in the U.S. Avoid Germersheim, Gimcheon, Japan, and Sigonella because they may charge you and it will take a long time to ship items from overseas.

If you need to reset your RTD password, call 855-352-0001 option 2.

[Here are the instructions for searching for and requesting equipment.](#)

1033 Program Training

Join us on Tuesday, July 26, 2016 for overview training on the 1033 Program.

We plan to host multiple training sessions throughout the year at different locations.

This initial training session will be located at the Colorado State Patrol Academy, which can accommodate about 75 people.

Training topics will include:

- General program rules
- Website links
- Search tips
- Workshop time to set up accounts

Bring your computer to create accounts and search for equipment in real time.

Space is limited, register now!

Date: Tuesday, 7/26/16

Time: 8:30 a.m.—12:00 p.m.

Location: Colorado State Patrol Academy, Building 100

15055 South Golden Road, Golden, CO 80401

Registration: <https://www.surveymonkey.com/r/KMDMMMMF>

Colorado 1033 Program Compliance Review Completed

Representatives from the Law Enforcement Support Office (LESO) visited Colorado during the last week of April to conduct a Program Compliance Review (PCR). As part of the state review, 27 agencies were visited and reviewed.

LESO conducts PCRs for each state every two years. The purpose is to ensure that state coordinators and law enforcement agencies in the state are compliant with the terms and conditions of the LESO 1033 Program.

Regular PCRs enhance the accountability of the program through oversight and review. They provide an opportunity for local agencies to connect with the federal level administrators,

as well as a chance to demonstrate how the program benefits each community.

During a PCR, the LESO team reviews each agency's paperwork, physically inspects 1033 equipment, and addresses questions and issues.

The PCR provides a reminder about the importance of keeping accurate and complete records of 1033 equipment. What is the system that your agency uses to track equipment? How do you track equipment that has been issued out to an officer?

To track 1033 equipment, it is recommended that agencies use the [Equipment Custody Receipt](#) provided by LESO. You

may download and modify these forms to suit your needs.

We are proud to report that each agency reviewed and the State of Colorado overall are compliant.

The LESO team thanked the participating agencies for their thorough preparation with the availability of LESO program equipment and documentation. They thank each of the 27 fully compliant agencies for their cooperation and support.

We in the Colorado 1033 office thank all the participating agencies for their hard work preparing for the PCR, their generosity with their time, and their welcoming attitudes toward the LESO team.

Colorado Agencies Selected for LESO Program Compliance Review

Archuleta County Sheriff's Office	Arvada Police Department
Auraria Police Department	Avon Police Department
Bayfield Marshal's Office	Cedaredge Police Department
Clear Creek County Sheriff's Office	Colorado Springs Police Department

Hotchkiss Marshal's Office	Idaho Springs Police Department
La Plata County Sheriff's Office	Manitou Springs Police Department
Monte Vista Police Department	Palisade Police Department
Rifle Police Department	Rio Grande County Sheriff's Office
Saguache County Sheriff's Office	Sheridan Police Department
Teller County Sheriff's Office	Thornton Police Department
Woodland Park Police Department	

Colorado Agencies use 1033 Equipment to Rescue Citizens

It may be hard to believe that just a few months ago our state was covered in snow. Multiple agencies in Colorado used equipment from the 1033 Program to rescue citizens during snow storms over the winter. Check out the news stories.

The Law Enforcement Support Office (LESO) within the Department of Defense (DoD), Defense Logistics Agency, facilitates the 1033 program. This program allows transfer of excess DoD property that might otherwise be destroyed to law enforcement agencies across the United States.

Section 1122 of the National Defense Authorization Act authorizes state and local agencies to purchase equipment and supplies in support of counter-drug, homeland security, and emergency response activities through federal sources of supply. Agencies can take advantage of the volume buying power of the Federal Government for low prices.

Saving Local Governments Money

Say Hello at the Colorado Association of Chiefs of Police Conference

Jovita and Alice will be at the Colorado Association of Chiefs of Police (CACP) Conference in Grand Junction on June 22-23, 2016.

Stop by our exhibit booth to meet the voices on the other end of the phone in person.

We look forward to the opportunity to chat with you about the 1033 and 1122 Programs.

Would you like pointers on searching for particular items?

Is it time to change the Points of Contact for your organization?

Are you ready to transfer or turn in equipment?

Do you need a squishy stress reliever?

We are excited to talk about your challenges and successes with the programs, and to learn how to serve you better.

New LESO Website

The [Law Enforcement Support Office \(LESO\)](#) has a new look and a new address for their website. Check it out for helpful links, forms, and instructions for the 1033 Program.

Fun and Gams Trivia Answer

Answer: Be sure to stop by the Mayor's place when you visit the Hotchkiss Marshal's Office at the Hotchkiss Town Hall.
