PHYSICIAN SEMI-ANNUAL EVALUATION CHECKLIST
Colorado Intrastate CDL Diabetes Waiver Program

Instructions for the Physician
The above named CDL-driver was granted an intrastate (Colorado only) waiver from the Federal diabetes standard 49 CFR 391.41(b)(3). This waiver permits operation of a CDL-required commercial motor vehicle (large truck or bus) in intrastate commerce while managing their condition with insulin therapy.

A large part of the monitoring process is your evaluation to determine if the individual's condition remains stable, and they continue to demonstrate willingness and ability to properly monitor and manage their condition.

Please type or print your answers legibly. The semi-annual evaluation must be completed and signed by the treating physician – M.D. or D.O. If primary care is obtained from physician's assistant, nurse practitioner, or medical resident, the supervising M.D. or D.O. MUST also sign and provide state license number.

If patient’s history is not known or available, do not continue your evaluation.
All items must be completed.

1. I am familiar with the patient’s 3-year health history (select all that apply)
   a. As the treating physician;
   b. Through a records review; and/or
   c. Consultation with the treating physician.

2. I have reviewed the patient’s daily glucose logs (from his/her glucose monitoring device) for the period of time since the last examination.
   YES  NO

3. I certify that this individual continues to maintain a stable insulin regimen and that this individual's ongoing A1C result continues to reflect stable control of his/her insulin-treated diabetes mellitus.
   YES  NO

4. I hereby certify that in my medical opinion, the applicant is able to safely manage their diabetes mellitus using insulin while operating a commercial motor vehicle (CMV) in intrastate commerce (Colorado only).
   YES  NO
