

CATPA projects awarded training funds will be required to submit additional reporting requirements to ensure the training funds are used for auto theft training pursuant to the funding initiative and CATPA legislation. Group training program funds may be awarded to a Grantee for allowing auto theft training to be sponsored, facilitated, or otherwise hosted through the partial or complete use of CATPA funds. A group training program may include conferences, statewide/localized training, or specialized training sponsored by the Grantee using CATPA funding. CATPA requires the Grantee to submit this report to the CATPA Office for authorization no less than 30 days prior to the planned group training program.
